Filia gets lost and ends up in the Atomicata cult compound. Samson wants to kill everyone, because a cult is always evil and he wants to protect Filia. Filia, not wanting him to do this, asks to meet the supreme leader Deborah Currie.

"Why do you want to meet her?" An Atom, a cultist, asks Filia.

"Uh..."

Filia doesn't know what to say.

"Would you like to join us? Become a follower?"

"No! But I'm willing to take a look."

"Excellent!" Says the Atom. "After your visit, I'm sure you'll want to join us!"

"We'll see." Says Samson hiding under Filia's hat.

"What was that?" The Atom asks.

"What?" Filia asks to distract him. "Be quiet!" She whispers to Samson. "They can't know you're here."

Samson grunts softly. The Atom shows Filia around the complex. As he shows her the Emotional Room, where followers are hypnotized into loving the cult, Deborah Currie arrives.

"Supreme Leader!" Says the Atom.

"By Isotope, what is it?"

"I am Filia. I'd like to talk to you..."

"TIME TO DIE!" Yells Samson, while manifesting himself by eating Filia's hat.

"Samson, NO!"

In front of the Atom's horrified eyes, Samson kills Deborah. With the supreme leader killed, chaos ensues in the sect. Samson orders Filia to leave. Filia refuses, so her parasite kills everyone, putting an end to Atomicata. After the carnage has ceased, Filia cries. She has failed.

"You didn't have to kill everyone!"

"No, but since you refused to leave..."

"So it's all my fault?"

"NO! I'm the one who killed all those people, not you!"

"Samson...!"

She yells all the insults she can think of at him and runs out of the complex.
